THE
SPA

Seasons of Renewal

Tailored to each season, this experience is designed to assist you in adapting to each phase of the year while taking you to a place of deep relaxation. Your journey begins with a 30 minute personalized foot treatment including a foot soak and scrub followed by a luxurious foot massage. Next, you will transition to the massage table to enjoy a 60 minute full body customized massage to further calm the body and mind. During the busy holiday season, a unique, sense-enhancing allspice berries essential oil blend is used throughout the treatment to ease joint and muscle discomfort.
